

A Beginner's Guide to the Identification of Fungi

Date: Saturday 22nd October 2016

Time: 10am - 4pm

Venue: Parc Slip Wildlife Trust Centre & Nature Reserve

Tutor: Mike Bright, Glamorgan Fungus Group

The course will provide participants with an introduction to the fascinating world of Fungi. We will be learning about the lifecycles and ecology of different groups of Fungi, with the aim that you will leave the course equipped with the knowledge of how to identify Fungi in the field.

The course will include the following:

- Introduction to Fungi
- Lifecycles and ecology
- How to foray
- Identification workshop

The course will include an outdoor Fungi foray in which we will collect specimens to take back and identify in the Discovery room.

Items to bring:

- Packed lunch or money to buy lunch from the coffee shop (tea and coffee is provided)
- Waterproofs and boots for outdoor activities
- Notepad and pen/ pencils
- Camera
- Hand lens
